

Insurance

When insurers and policyholders seek legal advice, they need lawyers who understand insurance policies and, if necessary, know how to litigate coverage disputes. Cosgrave has more than 70 years of experience helping clients in matters related to property/casualty, life, health, accident, and professional liability policies.

That's why some of the nation's largest insurers have and continue to ask our lawyers for counsel on all facets of insurance review and representation in court. Cosgrave's success in insurance litigation is unmatched. In recent years, we've handled most of the important appellate cases in Oregon, some of which are listed below.

Our success rests on our firm's deeply ingrained culture of commitment to understanding—and achieving—our clients' business needs and goals. Clients seek out Cosgrave because they value not only our legal skill and knowledge, but also our thorough understanding of the insurance claims handling process. This enables us to provide particularly cost-effective service in insurance coverage matters.
