

Experienced Litigation Associate

Cosgrave Vergeer Kester LLP is currently seeking an experienced associate attorney for the practice area of trucking and motor transportation including cases involving catastrophic injury and death claims.

The candidate will work closely with partners on matters relating to transportation litigation. Responsibilities include: drafting pleadings; researching, drafting, and arguing motions; , appearing at court conferences; preparing discovery requests, responses, and objections; taking and defending depositions; and preparing for and attending mediations and trial. The candidate should have 5 or more years of relevant litigation experience, including the above-described responsibilities. Strong academic and professional credentials are essential. Oregon bar admission is required. Admission to Washington bar is a plus.

This is an excellent opportunity to join a highly regarded, well-established Portland law firm with solid roots in the Northwest. Our 40-attorney firm is dedicated to exceptional responsiveness and highly effective advocacy on behalf of our clients, who range from individuals and small business owners to national and international corporations. We offer a unique opportunity for professional development in a collegial work environment among several of Oregon's finest trial, appellate, and business lawyers.

Cosgrave Vergeer Kester LLP is an equal opportunity employer. We welcome all applicants and strive to provide a workplace in which all employees are included, respected, and valued. Qualified applicants should complete an application and submit each of the following documents to humanresources@cosgravelaw.com
Attn: Ginger Erickson-Gettel.

- Cover letter
- Resume
- Writing sample (5-7 pages)
- Law school transcript

Documents may be uploaded in Word or PDF format on the website. Applications must include all documents for full consideration. All inquiries will be handled confidentially.
